

Kindergarten Week at a Glance

Theme:

Wonderful Water

Week of:
June 5-10

Writing Focus

We will write about the seashore while practicing spaces between words and periods at the ends of our sentences.

Framework #: K.RF.1

Math Focus

We will continue to compose and decompose teen numbers into tens and ones.

Framework #: K.NBT.1

Reading Focus

We will read Swimmy together and discuss character and setting. We will read Fish or I Can Swim individually and create our own story maps.

Framework #: K.RF.4

Science Focus

We will observe the properties of salt water and compare them to the properties of fresh water using sample from the Atlantic Ocean and our local pond.

Framework #: K.ES.1

Social Studies Focus

We will learn about liberty this week as we discuss the historical significance of Independence Day.

Framework #: K.H.1.b

Physical Development Focus

We will work on self-control when we play "Stop and Go" games on the playground. We will also create delicate jelly fish to practice fine motor skills.

Enrichment Focus

We will observe Monet's "Water Lillies" and create our own water-themed painting using water paints.

Framework #: K.VA.1.1
