## Sensory

**Standard:** Explore objects, activities, and environments

**Benefits of Cooking/Baking Near Baby:**

- Cooking is a great sensory experience for kids of all ages – even babies! They will experience many new smells by being in the kitchen while the food is cooking.
- Watching you move around in the kitchen can help baby with visual tracking.
- Explaining and talking through what you are doing, will help develop baby's communication.

## Music and Movement

**Standard:** Respond to music by joining in on one or two words in a song or moving physically upon hearing a familiar melody or rhythm
