

What Will My Child Learn?

TUESDAY

Infant Activity

Recite the poem "One, Two Three" and follow the suggested actions: One, two, three, (tap on baby's knee) Tickle your knee. (gently tickle baby's knee) Four, five, six, (tap on baby's tummy) Pick up sticks. (gently tickle baby's tummy) Seven, eight, nine, (tap on baby's chin) You're all mine! (hug baby)

Toddler Activity

Tell me a story! Next time your child seems to have something to say, encourage them with open-ended questions. Write down what they are saying to you. You might illustrate the story together and then read it back to them! It certainly doesn't have to make sense, but your little author will be proud!

Preschool Activity

Read "Elephants Cannot Dance" by Mo Willems.
Activity: Can you dance "The Elephant"?
Make up your own moves and invent a new dance!
