## Math/Science

Science: Investigating and Using Evidence cause and effect

**IMAGINATIVE PLAY** - *The Tiny Seed* naturally lends itself to imaginative play. Invite your child to become the tiny seed and float and twirl around the room on the wind. Slowly settle into the ground and curl into the seed. It's time to sleep through the winter. Clap your hands and announce that it is spring and it's time to grow. Wiggle like seeds getting ready to burst and slowly start to grow. Now grow and grow until you are on your tippy toes. It's time to blossom use your hands to make flowers. Explain that it is Fall and the wind is going to take your seeds and blow them away. Invite your
