Exploring Colors - Red

Infant Activities

Creative Expression

Colored Water Play

<https://theimaginationtree.com/baby-sensory-play-water/>

Babies and toddlers are particularly drawn to **water**, not only because of the familiarity of their womb environment, but also because of the calming effects it can have, as well as being one of the most exciting materials to explore on the face of the planet!

Sensory

Standard:

Focus attention on interesting sight or sounds, often in shared experiences with adults

Play peekaboo with objects that contact red like scarves or dish or hand towels.

Sign Language

Standard:

Remember language heard repeatedly in stories, poems, and interactive language experiences

Sign Language Red

<https://www.babysignlanguage.com/dictionary/r/red/?v=7516fd43adaa>

Game for the week: Print out all the color flash card for *red* and add this to the blue and orange ones we used yesterday.

Music and Movement

Standard:

Respond to music by joining in on one or two words in a song or moving physically upon hearing a familiar melody or rhythm
