

What Will My Child Learn?

## THURSDAY

### *Infant Activity*

Create a sensory bottle for your baby using water and different colored flowers.

### *Toddler Activity*

Go outside and pick some flowers to give to someone special!  
Talk about the colors and shapes of the flowers.

### *Preschool Activity*

This Flower Sensory Soup is so much fun for early learners! It's a great way to use real flowers and have them explore with feeling and scent.
