Autumn Harvest

Infant Activities

Creative Expression

Standard: Focus attention on interesting sight or sounds, often in shared experiences with adults react to stimulation in the environment. This includes drawings, sculptures or painting.

Edible Fall Paints -This is a great messy sensory play activity that can be done in an empty baby pool or bathtub just before to contain the mess and simplify clean-up. It also makes for great toddler and sibling fun! Make edible fall “paints” by combining pureed foods like pumpkin, yogurt, and applesauce with a dash of autumn spices like nutmeg, cinnamon, and pumpkin pie spice. Offer paintbrushes to baby and show him how to paint the pool or tub or his own body

Sign Language

Standard: Remember language heard repeatedly in stories, poems, and interactive language experiences

Sign the word Leaf: <https://www.babysignlanguage.com/dictionary//leaf/>

Sensory

Standard: Explore objects, activities, and environments

Fall Sensory Bottles -Gather and place pinecones, leaves, acorns or other fall materials in a sensory bottle or empty clear drink bottle. For babies not yet reaching and grasping, these can be used to promote head turning or for visual exploration in Tummy Time

Music and Movement

Standard: Respond to music by joining in on one or two words in a song or moving physically upon hearing a familiar melody or rhythm
