Movement, Fitness, and Sports

Infant Activities

Creative Expression

Standard: Focus attention on interesting sight or sounds, often in shared experiences with adults
React to stimulation in the environment. This includes drawings, sculptures or painting.

Scooping – Whether it's just with a spoon and your baby is transferring rice from one bowl to another or helping you feed a pet, there are lots of options. One of our favorite is scooping for treasure. It involves a simple scooping game in a BIG tub of your choice of filler. Hide a fun new toy or item that your baby would get really excited about. Then they have to scoop and dig to find it!

Sign Language

Standard: Remember language heard repeatedly in stories, poems, and interactive language experiences

Play: (babysignlanguage.com)

Sensory

Standard: Explore objects, activities, and environments

Crawling – Crawling is an important activity beyond the initial movement. It works on cross brain and body communication.

Add some objects on the floor that are baby safe and have your child crawl around them!

Music and Movement

Standard: Respond to music by joining in on one or two words in a song or moving physically upon hearing a familiar melody or rhythm

Yoga with Ms. Bailey: <https://youtu.be/RX3oXm565fM>

Music with Mr. Erik: https://youtu.be/m_Ux32IQjb4

Toddler Activities

Creative Expression

Standard: Small Muscle Movement and Coordination

Basketball Process Art: [March Madness Inspired Basketball Process Art | And Next Comes L - Hyperlexia Resources](#)

Books and Songs

Standard: Word comprehension, symbolic representation demonstrate enthusiasm for new learning

From Head to Toe: <https://youtu.be/liMuGN-NJ6o>

Math/Science

Standards: Math: Attributes, sorting, and Patterns. Science: Investigating and Using Evidence cause and effect

Name Basketball: [Name Basketball - Toddler Approved](#)

Outside Time:

Standard: Large Muscle Movement and Coordination

Climbing is a fun and imaginative way to work on those motor skills of alternating feet and weight distribution.
