

What Will My Child Learn?

MONDAY

Infant Activity

Create a gardening sensory bin with flowers and dirt for your child to explore .

Have them feel the textures of the items.

Each day of the week add a new item to your bin for your child to explore.

Examples: flowers, dirt, seeds, shovel, vegetables, fruit

Toddler Activity

Sponge Shape Flower Craft

Cut the sponge in the shape of a flower. Children can pick the paint colors and stamp petals onto paper, cardboard or paper plate to create flowers.

Preschool Activity

Go outside and find all the dirt patches, imagine what your garden will look like.

Draw a picture of your garden and give it to a family member.
