

What Will My Child Learn?

TUESDAY

Infant Activity

Garden Sensory Bin

Create a gardening sensory bin with flowers and dirt for your child explore .

Have them feel the textures of the items.

Each day of the week add a new item to your bin for your child to explore.

Examples: flowers, dirt, seeds, shovel, vegetables

Toddler Activity

Hand Print Flowers

Using the children's hand prints and paint to make petals, and construction paper for the stem and leaves.

Check out an example [HERE](#)

Preschool Activity

Go outside and look at all the plants.

Imagine what they looked like before they were plants - when they were seeds.

Draw a picture of the plant and what you think the seed it came from looked like.
