

What Will My Child Learn?

WEDNESDAY

Infant Activity

Create a gardening sensory bin with flowers and dirt for your child explore .

Have them feel the textures of the items.

Each day of the week add a new item to your bin for your child to explore.

Examples: flowers, dirt, seeds, shovel, vegetables.

Click [HERE](#) for an example of garden themed sensory bins.

Toddler Activity

Let's make Coffee Filter Flowers

Check out the example [HERE](#)

Preschool Activity

Go outside and look at all the beautiful flowers. Draw a picture of one that is your favorite. If you cannot find any flowers, draw the buds or leaves on a bush.
