

What Will My Child Learn?

**FRIDAY**

## *Infant Activity*

Sensory play can be as simple as collecting materials from your backyard or a nearby park and letting your child explore them.

## *Toddler Activity*

Remember those butterflies and how good they are for pollinating the flowers? Make your own Coffee Filter Butterfly: Click [HERE](#) for instructions!

## *Preschool Activity*

What happens when a sheep gets too hot as the weather gets warmer? Shear the Sheep: Click [HERE](#) for the activity instructions.
