Sensory

Standard:

Focus attention on interesting sight or sounds, often in shared experiences with adults

Floating Catch - Get it! Gentle games of catch give babies a thrill – and help develop their hand/eye coordination. Gather some lightweight, colorful scarves and toss them in the air so that they float down in front of your baby and she can attempt to grab them. If you don't have scarves, you can use non-toxic bubbles in your game of catch

Music and Movement

Standard:

Respond to music by joining in on one or two words in a song or moving physically upon hearing a familiar melody or rhythm
