KAYMBU CONTACT LIST

Little Sprouts is **BIG** on transforming early education. Each and every day, we create new ways to improve your child’s education and overall family experience. That’s why we partnered with Kaymbu, an innovative platform that allows teachers to share memorable moments with you throughout the day. Our teachers are able to take pictures of daily activities and fun happenings on their classroom iPad, tag your child, and send the pictures directly to your inbox using the Kaymbu app. Kaymbu has the ability to store multiple contacts for each child, so add on grandpa or auntie, so that they can share in the daily experiences too.

Privacy and security is of utmost importance in managing this sensitive information and media. The Kaymbu system employs leading enterprise-level security for all of its services, exclusively serving the preschool and daycare market across the country. The entire platform is a “closed” system for each school – it is not connected in any way with social media or other public applications. Finally, all information captured and stored in the system will never be used for any other purpose outside of direct communication with families or as dictated by school media policies. However, please note that pictures tagged with multiple children will be sent to each family tagged.

Please select **ONE** statement below (☒):

- I would like to participate in the secure Kaymbu photo system and receive regular photographs of my child as teachers document activities, learning and fun as a method of daily family communication. I also give permission for my child’s photograph to occasionally be sent as a group photo to other families as a method of daily family communication.**
- I do not want to participate in the Kaymbu photo program and understand that I will not receive photo emails of my child.**

UNCONVENTIONAL SCHEDULE WAIVER

At Little Sprouts, we know that parents want the best for their children, as do we. We strive to encourage and inspire little minds as children develop over the course of their educational journey with us. Deciding which schedule will best suit a family’s needs truly depends upon the individual requisites and goals of the family.

As an educational institution, Little Sprouts’ **conventional schedule** is a 5-day, full-time program that endeavors to provide consistency, routine and repetition for our young friends. Our curriculum builds upon learning from previous days in the week. Independent research asserts that children often react with interest and excitement when they can recognize and practice concepts progressively each day. Conventional scheduling allows our teachers to consistently implement our curriculum and build strong relationships with families and children. Most importantly, it enables children and families to derive maximum value and results from the program.

Certain schools may offer part-time availability, which we deem an **unconventional schedule**. For this reason, if another family seeks a conventional schedule in the space your child occupies, you will be first be given the option to modify your schedule, or risk losing your space in the program. We will make every effort to accommodate the original schedule requested but may need to adjust your schedule depending upon the needs of the community. Although this circumstance is extremely rare, Little Sprouts would provide at least four (4) weeks written notice of any proposed schedule change.

Whether a family selects a part-time or full-time program, Little Sprouts believes that early education is a lasting gift a family can bestow upon a child. Both types of programs offer children an array of new experiences, a social environment, a playful atmosphere, and an opportunity for children to grow inspired by a love of learning.

This notice must be provided to the Director of my school and will not be honored if given to the child’s teacher. I understand that, if my schedule changes from the conventional offering, I assume responsibility for the unconventional schedule waiver below.</p>

PAYMENT POLICIES AND AGREEMENT

Parent Name:	SSN:
--------------	------

Registration & Deposit Fees

Little Sprouts registration fee of **\$75.00** is due at the time of your child’s enrollment. If you pay weekly, a two-week, nonrefundable deposit is required at the time of registration for weekly tuition (one week required for families paying with MA state subsidies). If you pay monthly, a one-week non-refundable deposit is due at the time of registration. This deposit will be applied to your last week(s) of childcare. Enrollment is not guaranteed until registration and deposit fees are received. The deposit fee guarantees your child’s slot at Little Sprouts. Registration fees and updated child files are due annually.

IMPORTANT: Registration and deposit fees are non-refundable.

Please select **ONE** statement below: (☒)

- | | |
|--|-----------------------------|
| <input type="checkbox"/> I plan to pay tuition on a WEEKLY basis. (ACH Only) | Deposit (2 weeks): \$ _____ |
| <input type="checkbox"/> I plan to pay tuition on a MONTHLY basis. (ACH or Money Order/Bank Check) | Deposit (1 week): \$ _____ |

Please Note: Monthly tuition payments are calculated by multiplying the weekly tuition payment by 4.33 due to the fact that some months have 4 weeks and other months have 5 weeks.

Little Sprouts requires a **four-week written notice for termination** in the event you choose to leave Little Sprouts (two weeks for families using MA state subsidies). **This notice must be given to the Director of your school. It will not be honored** if given to your child’s teacher. The same 4-week rule applies to any schedule change requested by the guardian. You are required to pay for 4 weeks of tuition following the date of your termination notice. The deposit will be applied to cover part, but not all, of these final payment terms. Families with tuition payments that are more than two weeks overdue will be considered to be working off their deposit and their child will no longer be enrolled in the school after 4 weeks. Upon receiving written notification of delinquency, you must contact Little Sprouts Finance and Account Relations immediately at (781) 451-0100.

Tuition

You may choose from two (2) methods to pay your tuition. The first option is preferred by Little Sprouts. Please **select one (1)** of the two options:

Select **ONE** (☒)

<input type="checkbox"/>	Automatic Checking/Savings Deductions (PREFERRED): By electing this method, you are authorizing Little Sprouts to automatically deduct your tuition from your checking/savings account through ACH transactions (Automated Clearing House). You may select to have funds withdrawn on a weekly or monthly basis. The verification process initially takes 7-10 days. Once bank approval has been received, your payments will be automatically deducted and credited to your account.
<input type="checkbox"/>	Money Order/Bank Check: If paying monthly, you may choose to elect to prepay for your tuition by money order/bank check. Payment is due the last Friday before the first of each month. Personal checks will not be accepted.

You are contracting for a guaranteed slot for your child to the exclusion of all others and tuition is due and payable whether your child is out due to sickness, holiday closing, weather emergency, or vacation. This will automatically be charged to your account. Tuition is our only source of revenue to pay for the operation of our school and for teacher payroll. Prompt payment is necessary and expected. For families with state funding, if your child(ren) attends Little Sprouts for any time that is not covered by your voucher or scholarship, you will be responsible for payment based on Little Sprouts current tuition rates. Acceptance of state funding varies by school.

Late Fess/Collections

There is a \$10.00 fee per week for any balance and/or tuition payment that is not paid while you remain enrolled at Little Sprouts. If you leave Little Sprouts with a delinquent balance, a 1.5% interest charge will be added to your total bill each month your account is left unpaid. The first charge of 1.5% will be incurred your last day of enrollment and each month thereafter, even when it is sent to collections. (These fees do not apply to MA state subsidies.) After two weeks without payment, your account will be sent to collections whereby you will be responsible for any attorney fees and/or interest charges incurred by them. Please note that, when your account is sent to collections, **it will affect your credit.**

Late Pickup

Enrollment is based on a 10-hour schedule. If you will be later than the agreed time to pick up your child, a phone call is required to verify if Little Sprouts staff coverage is available. There is a fee of \$1.00 for every minute until your child(ren) is picked up. This late fee must be paid to your school’s director within the first two weeks of a late pick up. If you do not pay within this time period, the charge will be added to tuition account.

Returned Checks/Insufficient Funds

There is a \$35.00 service charge for each check returned and/or insufficient funds. You may also be assessed fees by your bank for this incomplete transaction. (For families paying with MA state subsidies, the charge will be \$12.00 for a bounced check and \$3.50 for ACH insufficient funds.) These charges will automatically be charged to your account.

Absences

Any time a child is gone for more than two weeks without payment of the regular weekly tuition, the child is dropped from the enrollment list and the vacancy is filled. In order to enroll again, an opening will have to be available and a new registration fee paid. Little Sprouts reserves the right to deny re-enrollment for families whose state funding is terminated and reinstated for excessive absences.

Holidays & Closures

The program will be closed on specific days throughout the year as indicated within the annual closing calendar. Please note that holiday closures may vary by school and year. When a holiday falls on a Saturday, we will be closed the Friday before the holiday. When a holiday falls on a Sunday, we will be closed on the following Monday. Annual calendars are available at each school, specifying exact closure dates. This calendar may be amended at any time at Little Sprouts discretion. Little Sprouts does not provide reimbursement for planned or unplanned closures, including inclement weather, power outages, construction, etc. Schools are closed on these days and alternate care should be arranged. Neither substitution nor compensation will be granted.

I have read the above and agree to the terms set forth by Little Sprouts.
